

# A1149-100

## LHD CABLE ACCESSORY - BRACKET "J CLIP", W/ SLEEVE (100 pack)

### J-clip

---

With the lower bend of the 'J' acting as a ready-made support for our LHD cable, this enables the early stages of cable installation to be bypassed, and allows the installer to maintain an additional point of contact with their ladder/lift. Creating quicker install times, and reduced resource requirements.

### Details

---

- Easy installation of linear heat cable
- For use on cable trays
- Available in stainless steel
- Available in quantities of 100
- Provides 50%+ quicker installation time, and safer working from height when compared to the L Clip
